The melancholy days are come, the saddest of the year,
Of rattling winds, and naked woods, and meadows brown
and bare,
Heap'd in the hollows of the grove the withered leaves
lie dead;
They rustle to the eddying gust and to the rabbit's tread.

Say, Hunters, can't you just fairly FEEL that wind
and see the rabbit scurrying over the fields? It's a little
too early yet, but now's a good time to get your

Gun and Shells, Hunting Coats and Leggings.

We have a swell and nobby line this year, complete in
every detail, and can fit you out. Come and see.

Mr. Farmer, now's the time to think about the winter's wants. What about a

vacation. Frank is a great fisherman and he,
with his wife, went for a day's outing recently.
They caught a string of fine bass and Frank

fish to show them to a friend, when one of
them, to show how game he was, kicked and
knocked Mrs. Johnson's hat into the water.
Frank was so elated over his catch that he ex-

AT the meeting of the German-American Alliance at Cincinnati Prof. RICHARD stated that in his estimation the washer-woman who supports her little ones by the sweat of her brow is a greater heroine than the greatest General that ever lived could be a hero. In its appeal for the co-operation of men and women in the movement "for a more beautiful America," the American Civic Association asks:

"What are you doing to improve and beautify your town?

"Are you planting trees and making parks which will be God-sends to your city later?

"Are you trying to make your property owners keep their yards clean?

"Are you preventing the accumulation of unsightly heaps of ashes and rubbish, encouraging the making of gardens, destroying the filth, which not only is an annoyance to the eye, but also is a menace to health?

"Are you endeavoring to stop the erection of unsightly billboards and making it a criminal misdemeanor to display in your town unsightly and immoral posters calculated to debauch the mind of the young or weak?

"Are you helping your school children by cultivating in them a love for the beautiful and practical in life?

"The American Civic Association stands ready to help you in these things as far as it can."

ANOTHER WOMAN CURED

By Lydia E. Pinkham's Vegetable Compound

Gardiner, Maine.—"I have been a great sufferer from organic troubles and a severe female weakness. The doctor said I would have to go to the hospital for an operation, but I could not bear to think of it. I decided to try Lydia E. Pinkham's Vegetable Compound and Sanative Wash—and was entirely cured after three months' use of them."—Mrs. S. A. WILLIAMS, R. F. D. No. 14, Box 39, Gardiner, Me.

No woman should submit to a surgical operation, which may mean death, until she has given Lydia E. Pinkham's Vegetable Compound, made exclusively from roots and herbs, a fair trial. This famous medicine for women has for thirty years proved to be the most valuable tonic and renewer of the female organism. Women residing in almost every city and town in the United States bear willing testimony to the wonderful virtue of Lydia E. Pinkham's Vegetable Compound. It cures female ills, and creates robust, buoyant female health. If you are ill, for your own sake as well as those you love, give it a trial.

Mrs. Pinkham, at Lynn, Mass., invites all sick women to write her for advice. Her advice is free, and always helpful.

The State Garage will meet at Paris October 26th-27th.

No Reason
for Doubt
A Statement of Facts Backed
By a Strong Guarantee

I guarantee immediate and positive relief to all sufferers from constipation. In every case where my remedy fails to do this I will supply it free. That's a frank statement of facts, and I want you to substantiate them at my risk.

Rexall Orderlies are a gentle, effective, dependable and safe bowel regulator, strengthener and tonic, that are eaten like candy. They re-establish nature's function in a quiet, easy way. They do not cause any inconvenience, griping or nausea. They are so pleasant to take, and work so easily, that they may be taken by any one at any time. They thoroughly tone up the whole system to healthy activity. They have a most beneficial action upon the liver.

Rexall Orderlies are unsurpassable and ideal for the use of children, old folks and delicate persons. I cannot too highly recommend them to all sufferers from any form of constipation and its attendant evils. That's why I back my faith in them with my promise of money back if they do not give entire satisfaction. Two sizes: 12 tablets 10 cents and 36 tablets 25 cents. Remember you can obtain Rexall Remedies in Maysville only at my store—The Rexall Store. Thos. J. Chenoweth.

Monuments: Murray & Thomas.

Mr.—Moran and Miss—White, an eloping couple from Mt. Olivet, struck town Saturday evening about 5 o'clock, but unfortunately for them County Clerk Wood received a 'phone message, just ahead of their arrival, requesting that they be refused license. They continued their way over to West Union, O., the Mecca for Kentucky runaways.

The Cincinnati Enquirer Saturday published its annual estimate of the Burley tobacco crop of Kentucky, Ohio, Indiana and West Virginia, figuring that the total will be approximately 236,020,905 pounds, instead of 260,000,000, as was anticipated.

The auto endurance run from Louisville through the Bluegrass section of Kentucky, via Lexington, Winchester and Maysville, was quite the most novel and interesting event in the automobile business ever run in the State.

The machines, some twenty-five in number, came wheeling into Maysville Indian file, and it required about an hour for all the machines to register here and pass on the return trip to Louisville. The endurance test was simply an advertising scheme of Louisville auto sales houses to demonstrate the worth of their respective machines.

Through the courtesy of a friend the Editor of THE PUBLIC LEDGER was admitted to the Queen City Club at Cincinnati Saturday afternoon to see Dr. F. A. Cook. We had the pleasure of meeting Dr. Cook, but we do not know whether or not we saw the discoverer of the North Pole. The public is nearly unanimous in according the honors of the Pole discovery to Cook, and he is the lion of the hour, but—(?)

There's the rub. Dr. Cook is a smiling and suave looking gentleman, and looks more like a well-fed and self-satisfied professional man than a worthy North Pole tourist. Select and savants know that Cook must furnish the absolute data and facts before he can be really proclaimed the hero of all Arctic travelers. In the meantime Cook is reaping a golden harvest, and his receipts are said to average over \$4,000 per lecture; besides, he will be paid over \$150,000 for his book of travels and by newspaper syndicates.

Love, sunshine and common sense, thoroughly mixed in the proper proportion, beat all the patent medicines on the market as a cure-all for the ills of mind and body—and no alcohol is needed as a dissolvent or preservative. "Chili-dry for it."

Confessing that he had made and passed counterfeit money, William B. Pettus, a former school teacher of Carter county, was sentenced in the Federal Court at Cincinnati to thirty months at the Leavenworth, Kansas, prison. Pettus told the Court that he began counterfeiting for bread and wanted to get into jail "to keep from starving."

RIVER INVESTIGATION

Pollution of Water in the Ohio to
Be Stopped

Elliott Kimberly and Philip Burgess of Columbus have been employed by the Ohio River Sanitary Commission to make an investigation of sources of pollution in the Ohio river between Pittsburgh and Cincinnati.

They will begin work at East Liverpool, going from there to Marietta, thence to Parkersburg, Gallipolis, Ironton, Portsmouth, Maysville and on down to the Queen City.

A few weeks ago thousands of fish in the Ohio river were killed by some unknown cause, and this will also be investigated.

Gage marks 31 and falling.

It is probable that the Columbia will be selected for the annual Mardi Gras trip from Pittsburgh to New Orleans the latter part of next February.

The Keystone State is at present undergoing extensive repairs and at the rise of the rivers will go on her regular trips between Pittsburgh and Cincinnati as a practically new boat.

The repairs on the lower gates of Lock No. 11 on the Big Kanawha river have been commenced, and the pool will be drained for at least ten days before any steamer can go through to Charleston.

Captain J. F. Edgington, who has been master on the steamer Chico in the Cincinnati and Ohio trade for the past two years, has been elected Secretary of the Equity Society Company, with headquarters at Chico, Ohio.

Uncle Sam is making rapid strides at Lock and Dam No. 26. There are about 300 men employed day and night on this job. It is reported that the coffer dam at Lock and Dam No. 26 is the largest in the world. It takes in the entire Lock and one half of the Dam. There has never before been a coffer dam of this magnitude built.

MILLIONS UNCLAIMED

In Jewels, Securities and Money Recovered From Messina Ruins.

It is estimated that \$2,000,000 in gold, \$6,000,000 in bonds and other securities and \$1,000,000 worth of jewels, recovered from the ruins of Messina, are still unclaimed.

In addition there is a further deposit of 100 strong boxes and 4,000 sealed packages, known to contain valuables, which have not been opened, representing at least \$4,000,000.

This total of \$13,000,000 does not include the treasures from the Cathedral, Churches and vaults of Banks.

The valuables were simply excavated and were sometimes found clutched in the dead hands of unidentified men and women. The excavations have been commenced again, when the unclaimed deposits will naturally increase.

It is generally impossible for survivors to establish claims to the property, and the State will benefit largely.

TRUTH TRIUMPHS.

Maysville Citizens Testify for the Public Benefit.

A truthful statement of a Maysville citizen, given in his own words, should convince the most skeptical about the merits of Doan's Kidney Pills. If you suffer from backache, nervousness, sleeplessness, urinary disorders or any form of kidney ills, the cure is at hand. Read this:

Mrs. John T. Wallingford, 108 Commerce street, Maysville, Ky., says:

"Doan's Kidney Pills have been used in my family with most beneficial results and it gives me pleasure to corroborate the testimonial we gave in their favor some years ago. Doan's Kidney Pills afforded me great relief from kidney disorders and I have no hesitation in again recommending them."
